RAINBOW TROUT

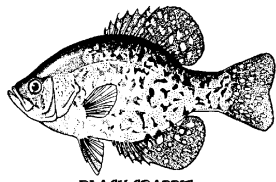

CHANNEL CATFISH

BLUEGILL

LARGEMOUTH BASS

BLACK CRAPPIE

In order to protect Wohlford from invasive exotic Quagga mussels, there is still a temporary ban on private water craft and equipment that could have been exposed to mussels. Restricted equipment includes private boats, canoes, kayaks, float tubes, trolling motors, fish finders, anchors and other equipment that contacts the water.

Lake Wohlford is offering \$20 all day motorboats* to seniors on Tuesdays, and to active military on the first and third Saturdays of each month.*This rate applies to regular motor boat rentals, no Bass Boats, and no discounted ½ day rate.

The Bass have been chasing small bait fish close to the shore early in the mornings. Bass also linger around submerged rock piles and have been hitting on crawdads and dark colored plastics.

Catfish season is in full swing, with another plant scheduled for this Wednesday. Some fishermen are meeting their limits on Catfish at the East end of the lake. Lake Wohlford Catfish love chicken liver, clams and cut mackerel. Another good spot for catching catfish is along either buoy line.

Each month Whopper Contest winners in 4 categories are awarded a free fishing and boating permit. For further information on the contest or fishing conditions, please contact the Ranger Station at (760) 839-4346.
